Since 1990, Bushy Park Ironworks have undertakena large variety of Commissions and Projects for Government Bodies, Hotels, Public & Private Companies as well as Private Clients and Collectors both here and abroad; they include the following:

### **Powerscourt Estate**,

**Wicklow.** Restoration of one of the largest private collections of decorative ironwork in Europe over a three year period.

**Birr Castle, Offaly.** Forging of new Gothic gates for the entrance incorporating the family motto and coat of arms. The Shelburne Hotel, Dublin. Advisors and restorers of the cast iron balustrading for the main staircase. Hand forging of radiator covers, stainless and gold plated bathroom fittings, brass grills and bronze foot rails.

**The Museum of Modern Art, Dublin.** New entrance gates and side gate to match original gates.

The Bishop's Palace, Kilkenny. Restoration of the original front entrance gates and side gates.

**Private Client, Dublin.** Forged and patinated bronze door handles. The Ritz Carlton Hotel,

Wicklow. Casting of brass staircase balustrades for the main stairs and decorative bronze internal railings and entrance gates.

**Private Client, Dublin.** Ornate gates with organic forms and leaves with gilded details.

**Burlington House, Dublin.** Staircase balustrading and exterior balconies and spiral stairs. (This project received the California Gold medal for Excellence in 2004 from the Royal Dublin Society.) **The National Trust, Northern Ireland.** Forging of new gates in genuine wrought iron using only traditional blacksmithing techniques for an early 19th Century Castle Folly at Crom Castle.

# White Oak Golf Course, North Carolina, USA.

Celtic style entrance gates and decorative signage.

## **Christchurch Cathedral**,

**Dublin**. Restoration of the original boundary railings and decorative door hinges.

**Lucena Clinic, Dublin.** Complete restoration of a Turner designed and built-Conservatory Circa 1870. Ballynatray House, Co Cork. Hand forging of large drive way gates with gilded leaf work.

**Church House, Belfast.** Restoration of the decorative copper spire including new gargoyles and crochets in patinated copper.

**Private Client, Limerick.** Decorative oval staircase balustrade with a patinated bronze handrail.

**Treasury Holdings PLC, Dublin.** Contemporary glass, bronze, stainless steel and iron reception table.

**The Merchant Hotel, Belfast.** Decorative balconies and staircase balustrading.

**Private Client, Dublin.** Steel and bronze staircase balustrading designed in conjunction with Louise Kennedy, the fashion designer.

**Private Yacht, Monaco.** Forging of chrome and glass curtain poles.

**Leinster House. Dublin** New side gates to match original entrance gates.

Winners of the 2004 RDS National Competition for Ironwork and Metalwork and Overall Winners of the California Gold Medal for Excellence.
